

May 28, 2013

Dear Sir or Madam,

I am writing to introduce myself to your company. My name is Cliff Main and I am a recent Cambrian College Scholar graduate (May 24, 2013) with an advanced diploma as a Computer Programmer Analyst.

I have had the opportunity to work in the field designing E-Learning websites prior to participating in the related formal training with Cambrian College.

I would bring to your company a broad range of skills, including:

- A three year advanced college diploma as Computer Programmer Analyst with a 3.93 GPA
- Courses completed in web technologies, programming and web development
- Four years of experience in designing and maintaining web-based programs
- Completed courses in Project Management, Windows Server deployment, SharePoint
- Knowledge of mobile device programming (Android and IOS)
- Completed course in Linux Administration

I look forward to an opportunity to meet with you to further discuss this position and my qualifications. Please contact me by phone at 705 682 9076 or by email at chain@sympatico.ca . I have enclosed my resume for your review, and I look forward to hearing from you.

Sincerely,

Cliff Main

COMPUTER PROGRAMMER ANALYST
